# BELIZE MISSION

**JUN 1 - 8**  
8TH-12TH  
STUDENTS & PARENTS

### LISTEN & LEARN:

Parents and students will have an opportunity to learn from the local churches in the villages of San Joaquin, Ranchito, and San Victor. You will hear the testimonies of local pastors and leaders, and learn from their experiences and perspectives. Likewise, they will benefit from yours.

### SERVE:

Serve alongside the local churches in their long-term efforts to share the gospel and minister to the people in their community. Share the gospel through VBS and conversations, distribute food, help with construction in the villages, interact with local leaders, pray for the communities.

### CONTEXTUALIZE:

Break cross-cultural barriers, hear important stories and be challenged to reflect on how God wants you to use this experience. This is a trip that adds context to life and, when parents and students experience it together, it will impact daily living in your home context.

### AFTER THE TRIP:

The great commission isn't just about "going." It's about how we live once we return home. We'll have a conversation about modeling this once you get home.

### ACTS 17:26-27:

*"And he made from one man every nation of mankind to live on all the face of the earth, having determined the allotted periods and the boundaries of their dwelling place, that they should seek God, and perhaps feel their way toward him."*
