GUATEMALA MISSION

JULY 8 - 15
ADULTS

JOIN THE GLOBAL CHURCH:

As a follower of Jesus, you're going to meet family on this trip that you've never met before. The global church is beautiful, diverse, and strong. In Guatemala you will have the privilege of linking arms with our friends at Casa Benediccion, a local church near Antigua.

SERVE:

We will work alongside Casa Benediccion and others to facilitate a medical clinic in an area where there is little access to quality medical care. We will also work with a ministry partner to help lead a business mini-conference for local entrepreneurs and a soccer camp for area students.

BREAK BARRIERS:

Step into another culture. Break cross-cultural barriers, hear stories, make an impact, and be challenged to reflect on how God wants you to use this experience.

AFTER THE TRIP:

None of our trips are just about "going." We need to think about how we live once we return home. It's about our everyday actions and decisions to showcase our faith. We'll have a conversation about modeling this once you get home.

"And he made from one man every nation of mankind to live on all the face of the earth, having determined the allotted periods and the boundaries of their dwelling place, that they should seek God, and perhaps feel their way toward him." Act 17:26-27
