MALAWI MISSION

JUN 2 - JUN 14
ADULTS

SEE THE IMPACT OF HOLISTIC MINISTRY:

Child Legacy International, a ministry partner of Church Project, has had a tremendous impact on nearby communities and the country of Malawi as a whole. During this trip you will stay at CLI's project site and have the opportunity to see some of the ways that God has used this organization firsthand.

SERVE WITH THE GLOBAL CHURCH:

We will serve alongside some of our friends from Child Legacy International Worship Center and a team from CLI to repair village water wells, share Bible stories, and distribute audio Bibles in a number of nearby villages.

BREAK BARRIERS:

Step into Chewa culture. Break cross-cultural barriers, hear stories, make an impact, be amazed at how God is moving in Malawi and be challenged to reflect on how God wants you to use this experience.

AFTER THE TRIP:

None of our trips are just about "going." We need to think about how we live once we return home. It's about our everyday actions and decisions to showcase our faith. We'll have a conversation about modeling this once you get home.

"And he made from one man every nation of mankind to live on all the face of the earth, having determined the allotted periods and the boundaries of their dwelling place, that they should seek God, and perhaps feel their way toward him." Act 17:26-27
